V. Reading comprehension: Looking for Love is an agency that finds partners for single people of any age.

Read about Lisa. 8%

My name is Lisa. I'm 25 years old and I'm from Seattle. I'm single and I'm looking for love. I'm a journalist for a local newspaper, which means I write stories about local issues, and sometimes I interview politicians. I like my job, but I'd like to work for a national newspaper someday. That's because I want to have the opportunity to work abroad. I have a small group of friends who I've known for years. I even went to elementary school with some of them! I'm not really outgoing, but I like going out with my friends and having fun. We usually go out to parties, clubs, and restaurants. I also like cooking, and I make great pasta! My ideal night at home is a good dinner and a DVD. I like thrillers much more than I like romantic comedies! I'm not really interested in sports, but I like to stay in shape. I stopped smoking last year, and now I go running twice a week. Sometimes I go to the gym on weekends. I eat lots of fruits and vegetables, and I try not to have red meat or too much coffee. At work, I drink water or tea. I prefer men who are interested in serious issues because I like talking about politics and what's happening in the world. However, I also like men with a good sense of humor. These characteristics are more important to me than physical appearance. Please contact Looking for Love if you think you're the kind of person I'm looking for!
